

LandPartners is a built environment consultancy

We can assist with all aspects of investigating, planning, building, environmental, engineering or modifying a development, no matter where it is located

Dune Regeneration Work

LandPartners and Gold Coast City Council are working together to preserve the native beach vegetation of Surfers Paradise.

Council is committed to preserving the foreshore. Come and learn about the future conservation plans and help preserve dunal ecology as we seek to establish a supporting community group interested in preserving their local environment.

Get involved and help preserve your local beach by joining our sand dune restoration day.

Date:	<i>Saturday, 17 November 2007</i>
Time:	<i>9:00 am</i>
